Windfall: Directed by Laura Israel. With Scott Alexander, Frank Bachler, Ron ...

More videos are available in the Documents Library.

Windfall is a 2010 documentary film directed by Laura Israel about the reaction of residents in rural Meredith, New York (in Delaware County, New York) to a proposal to place numerous wind turbines in their community to harness wind power. It is notable that the film was made by an interested local citizen rather than an organization.

Documentaries serve as a powerful medium to educate and inspire people about these important topics. Through compelling ...
